NATIONAL EMPLOYMENT SERVICE
EMPLOYMENT EXCHANGE MINUTE

EEM No.1/2010/Pt.I-VII/7.9
ACTION TAKEN

MINUTE

Subject : Registration of job seekers in the Employment exchanges having certificates/diploma from unrecognized institutions/agencies- regarding.

In the NESM, procedure is prescribed for registration of craftsmen/technocrats who obtain diplomas/degrees from government Institutes/recognized Institutes but there is no procedure for dealing with job - seekers who possess diplomas /certificates awarded by the unrecognized institutes. Those job -seekers who possess Diplomas /Certificates awarded by unrecognized institutes or Diplomas /Certificates which are not recognized, face difficulties at the time of registration in some Employment Exchanges in the absence of clear instructions in the matter

This issue was discussed in the 35th meeting of Working Group on NES held at Hyderabad in detail with participation of various representatives of States/UTs. It was found that in State like Tamil Nadu, Kerala and Delhi, such certificates were being accepted at the time of registration without insisting on their recognition, whereas in some other States, the position was different.

Keeping in view the lower placement through Employment Exchanges in Public Sector, increasing attention towards Private Sector and problems faced by the job-seekers at the time of registration at Employment Exchanges, it was recommended by the Working Group that Certificates/diplomas from unrecognized institutions(except the fake ones) or Diplomas/Certificates which are not recognized may be accepted for registration at Employment Exchanges and the employing agencies/establishments may decide suitability of such job seekers at the time of recruitment. Thus, onus for verification/ acceptance of Diplomas/Certificates possessed by job-seekers would lie with the employer at the time of their recruitment. This recommendation was also confirmed in the 36th meeting of Working Group on NES held at Thiruvananthapuram on 15th & 16th February, 2010.

Thus, in this respect, instructions given in Chapter VII and Chapter Xi of VoII of NESM are clarified to the extent that job -seekers who possess Diplomas/Certificates awarded by unrecognized institutes(except fake ones) or Diplomas/Certificates which are not recognized, will not be denied registrations on this account. If otherwise found eligible.
